

Raleigh Rescue Mission

SAFE TRANSPORTATION OF FOOD RESPONSIBILITY

Food must be brought to the facility in clean, insulated, sanitized containers, which keeps cold food at 41°F or below and hot food at 135°F or above. Food items must be in the original manufacturer package, no food items will be accepted wrapped in foil or zipped locked bags. Upon receiving the food donations, the facility shall verify the temperature of the food.

When potentially hazardous food temperature is not correct the facility will not accept the food. Upon accepting the food, the facility shall maintain correct food temperatures until served.
